28 Oct 10 different Frintants hit up on U-2 flight 27 Oct;
only 1 earlier, 19 Oct. This didn't happen later.

Also, multi-channel comm channel, air defense, Russian, on 27 Oct.

14 April 64 On night of 26 Oct 62 an "attack" on an unidentified low
camp was in progress. The nationality of the attacking forces was

not national. This attack was possibly directed against the

Los Angeles SAM site adjacent to the Banes site and believed

to be in direct comm. with them. During this time, M informed

X at Santiago de Cuba that he was "advancing" with his unit.

Later M indicated that three persons may have died during his "advance"

and that 15 others were wounded. Subsequent discussions indicated

national requirements for surgeons and the dispatch of seven doctors

M ultimately requested that a report of the whole affair be sent to

[Timing?] ^(Col. ~~man~~) Vg a later conversation revealed he was to report to Vin person the following

morning. The US recon mission was shot down the morning after [?] the

incident, probably by the Los Angeles SAM site.

M: "I have a suspicion that there has been an attack" "one of
our comrades was shot and wounded." mentioned a vehicle had
overturned and that he was "advancing" with his unit. Later,
MAL'TSEV indicated "3 persons" may have died during his "advance," and
15 others wounded. needed three surgeons. [doctor sent
[other casualties?]] V wanted M to report to him in person
"tomorrow morning" — "at what time?"

[Attack on Banes?]

[What makes you think, now,

[Thinks attack was not Banes cruise missile site — though can't exclude —
because M was "advancing." Nothing on attackers — could be Castro Troops.

Thinks attack over by morning, but can't exclude SAM site still held by
morning. What indications site was held at all? That prisoners were

taken? (CIA note) When was insurgent attack reported at time? Any report
on Castro surrounding a site with troops?
